Ship AI Your Customers Trust

Turn compliance into competitive advantage with verified AI certification

THE ADOPTION PROBLEM:

Your AI features are powerful. But customers hesitate. They've seen the headlines. They don't know if they can trust it. **Trust is the bottleneck, not capability.**

THE TRUST BADGE

[✓ **AI CERTIFIED**]

Score: 8.7/10 | Verified: Jan 2026 | Click to verify
Embed this badge on your product page, pricing page, or checkout flow

BADGE IS CLAIM. PORTAL IS PROOF.

THE BADGE	THE PORTAL
(on YOUR site)	(on OUR site)
• Displays certification status	• Independent verification
• Shows current score	• Cryptographic proof
• Updates in real-time	• Full assessment history
• One line of JavaScript	• No login required

BUSINESS IMPACT

CONVERSION	DIFFERENTIATION	ENTERPRISE SALES
Reduce friction at checkout	Stand out from competitors	Answer the security questionnaire
Trust signals increase sign-ups	*"We're certified. Are they?"*	*"Here's our certification"*
